

# NEWPORT SHOP at the DOCK

## FREE!

Join Oregon Sea Grant to learn about Newport's commercial fisheries and how to buy seafood directly from fishermen.

We will be visiting the commercial fishing docks and looking for fresh products to buy. Learn about what's in season, how it's caught, if it's sustainable, and how to purchase high quality seafood. If you find a product you want to buy, Oregon Sea Grant staff will help guide you through the process.
