The Knauss Fellowship offers direct experience working on the latest issues in ocean, coastal and Great Lakes management and research.

Since 1979, the National Sea Grant College Program has administered one of the nation’s most prestigious marine policy fellowship programs. The Knauss fellowship provides a unique educational and professional experience to graduate students who have an interest in ocean, coastal and Great Lakes resources and policy decisions affecting those resources.

The program matches fellows with “hosts” in the legislative and executive branches of government for a one-year paid immersive policy experience in the Washington, D.C. area.

“Participating in the Knauss Fellowship really launched my career into ocean sciences, and provided a bridge to a professional network I would never have access to otherwise.”

- Catalina Martinez
2002 Executive Fellow Program Manager, NOAA Office of Ocean Exploration and Research

How to apply to the Knauss Marine Policy Fellowship

Before the application process begins:

1. Visit our website to learn more about the Knauss fellowship program and read about current fellows’ experiences. [seagrant.noaa.gov/Knauss](http://seagrant.noaa.gov/Knauss) [seagrant.noaa.gov/knauss-blog](http://seagrant.noaa.gov/knauss-blog)

2. Start thinking about your application package. While you won’t be able to apply until the application process opens, you can start drafting your personal statement and think about who you might ask for recommendation letters.

3. Register for the Sea Grant e-newsletter and/or follow Sea Grant on social media to receive updates about fellowship opportunities.

Once you see that the fellowship opportunity is open:

1. Find the application guidance and resources on the Sea Grant website.
   - [seagrant.noaa.gov/Knauss](http://seagrant.noaa.gov/Knauss)

2. Contact your state Sea Grant program and inform them you want to apply for the Knauss Fellowship. They will have additional information for you and advice about navigating the process. Applications must be submitted through a state Sea Grant program. See the “Program Locations” dropdown on [http://seagrant.noaa.gov/](http://seagrant.noaa.gov/) for a list of state programs and contact information.

   **Note:** if you attend school in a state which does not have a Sea Grant program, contact the National Sea Grant Office at oar.sg.fellows@noaa.gov. The National Office will direct you to a program through which you can apply.

You may also contact the National Sea Grant Office via email (OAR.SG.Fellows@noaa.gov) or our fellowships phone (240-507-3712).
